A BILLIONAIRES BIRTHDAY

On Saturday April 28th, Thomas Kramer celebrated his 39th birthday in style, as he hosted 300 VIP's for his 39th Birthday dinner. Hosted at his \$50 Million estate located on Star Island in Miami Beach. While most birthdays include a nice dinner and cake, Mr. Kramer took it to another level. He hosted one of the most amazing dinners, live bands, and one hour firework show. Called one of the best parties of the year, please look at more pictures at
